

GET 30% MORE ROAD WITH THE NEW MICHELIN® XZA3®+ EVERTREAD.™

Dual Compound Tread

THE LEGEND

For decades, Michelin has been a leader in the industry for steer tires. The MICHELIN® XZA® tire was a revolutionary steer tire, and successive generations only improved upon its technology.

Fleets and owner operators chose the MICHELIN® XZA3® tire because of its proven performance. Many tire companies can excel on one benefit. The MICHELIN XZA3 tire delivered a combination of benefits without any compromises, and that is what makes a legend.

MICHELIN® XZA3®

- Industry-Leading Mileage
- Ultra-Fuel-Efficiency*
- New Standard in Retreadability
- Legendary Handling and Responsiveness

THE LEGEND EVOLVES

Introducing the MICHELIN® XZA3®+ EVERTREAD™

The MICHELIN® XZA3®+ EVERTREAD™ tire pushes mileage to never-before-seen levels, while offering the same legendary fuel-efficiency, handling/responsiveness and retreadability you've come to expect from a MICHELIN® steer tire.

The MICHELIN® XZA3®+ EVERTREAD™ tire changes steer tire performance for – “ever”

- **Ultra-Fuel-Efficiency***
 - SmartWay® Verified
 - Meets CARB Requirements
- **Optimum Handling and Responsiveness**
- **Maximum Retreadability**
 - 3-Retread Limited Warranty†

*Fuel savings are estimates based on comparative rolling resistance. Actual on-road savings may vary.

†3-Retread Manufacturing Limited Casing Warranty: 3 retreads or 700,000 miles or 7 years for MICHELIN® XZA3®+ EVERTREAD™ when retreaded by an authorized Michelin Retread Technologies (MRT) Dealer only. See limited warranty for details.

MORE MILEAGE, NO COMPROMISE

The MICHELIN® XZA3®+ EVERTREAD™ tire's ability to deliver never-before-seen mileage without compromise translates into outstanding operational savings and efficiencies for your fleet.

Ultra-Fuel-Efficiency*

The mileage achieved with the MICHELIN® XZA3®+ EVERTREAD™ tire is revolutionary, but what's even more impressive is the MICHELIN XZA3+ EVERTREAD tire's ability to achieve this mileage innovation without compromising fuel efficiency.

- Low Rolling Resistance
- SmartWay® Verified
- Meets CARB Requirements

Optimum Handling and Responsiveness

The MICHELIN® XZA3® tire developed a huge following for its billions of miles of driver satisfaction, and we've made the MICHELIN® XZA3®+ EVERTREAD™ tire to inspire the same devotion.

- Engineered to give your driver confidence on the road
- Excellent dry and wet road steering response

Maximum Retreadability

The exclusive Dual Tread Compound doesn't just allow the MICHELIN® XZA3®+ EVERTREAD™ tire to achieve more mileage than its predecessor; it also helps minimize internal casing temperatures to maximize retreadability.

- Optimum Casing Temperature
- Casing Designed for Endurance
- 3-Retread Limited Warranty†

The casing is made to endure, with a rectangular bead bundle, a robust bead area, and a thick inner liner to fight casing fatigue. The full-width, elastic protector ply helps prevent casing bruising and penetration.

*Fuel savings are estimates based on comparative rolling resistance. Actual on-road savings may vary.

†3-Retread Manufacturing Limited Casing Warranty: 3 retreads or 700,000 miles or 7 years for MICHELIN® XZA3®+ EVERTREAD™ when retreaded by an authorized Michelin Retread Technologies (MRT) Dealer only. See limited warranty for details.

MILEAGE

Cutting-Edge Technology Means More Mileage Without Compromise

The MICHELIN® XZA3®+ EVERTREAD™ tire's mileage is 30% better than the competition in long haul applications, due to the new Dual Compound Tread. The MICHELIN XZA3+ EVERTREAD tire maximizes tread life without compromising fuel efficiency or retreadability with the patent pending Dual Compound Tread that is the next generation of our Co-Ex Technology.

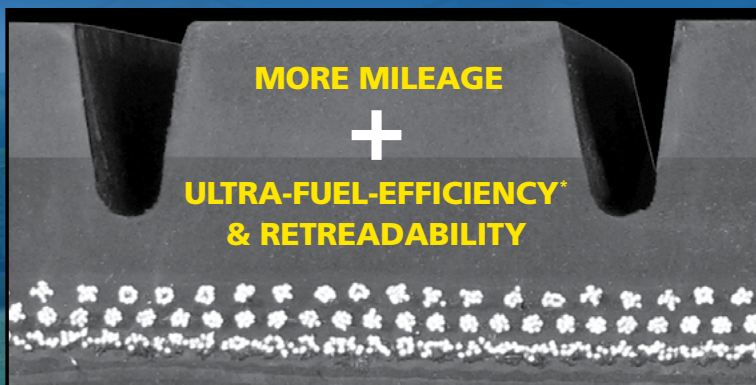

Patent Pending Dual Compound Tread

- **Mileage Layer** – controls tread stiffness and stress to reduce irregular wear.
- **Ultra-Fuel-Efficiency* and Retreadability Layer** – minimizes internal casing temperatures for low rolling resistance and extended casing life.

Dual Compound Tread in Actual Tread Block

*Fuel savings are estimates based on comparative rolling resistance. Actual on-road savings may vary.

MICHELIN® XZA3®+ EVERTREAD™

Next generation ultra-fuel-efficient* radial that delivers our longest original tread life in long haul steer service.

Even Wear to the End –

Defend against the onset of irregular wear:

- Directional Miniature Sipes in the groove walls (directional to half life)
- Enhanced Shoulder Rib

Optimum Handling and Responsiveness –

Give drivers the performance they need:

- Wide, Flat Tread

Legendary Tread Life –

Get more mileage without compromise:

- Patent Pending Dual Compound Tread
 - > Mileage Layer – controls tread stiffness and stress to reduce irregular wear
 - > Ultra-Fuel-Efficiency* and Retreadability Layer – minimizes internal casing temperatures for low rolling resistance and extended casing life

Excellent Casing Protection –

Protect the casing from bruising and penetrations:

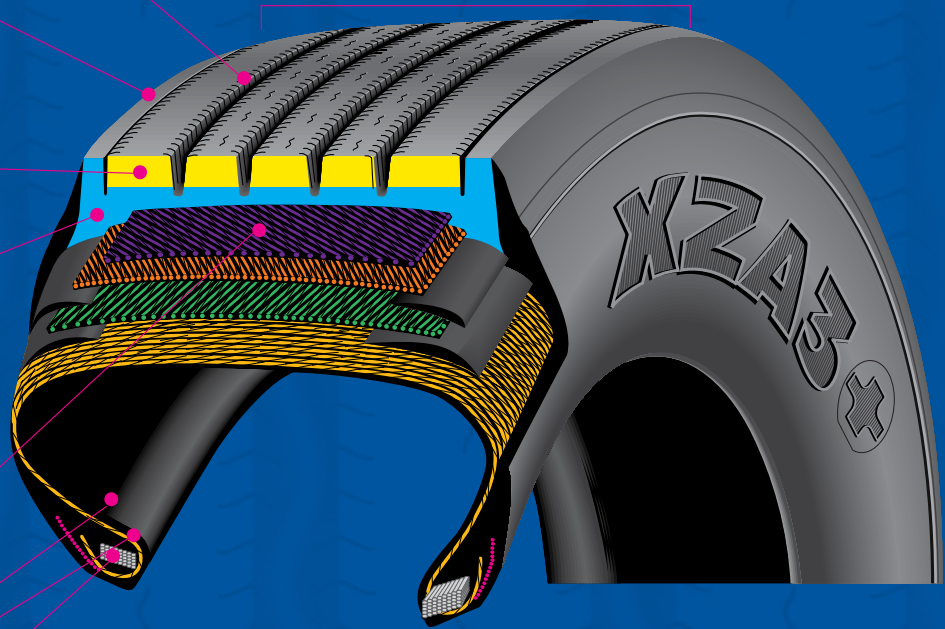

- Full-width, Elastic Protector Ply

Maximum Retreadability –

3-Retread Limited Warranty⁽²⁾

Fight casing fatigue:

- Enhanced Inner Liner
- Robust Bead Area
- Rectangular Bead Bundle
