THE MICHELIN®
X® WORKS Z TIRE

Our toughest all-position, on/off-road tire just got tougher. With a 50% wider protector ply vs. leading competitive tires and 5% more removal miles vs. the MICHELIN® XZY®3 tire it replaces, this tire provides unsurpassed durability against road hazards—guaranteed.

Multiple defenses to resist road hazards and lengthen casing life

1) More robust casing protection
   • Groove-to-Groove Protector Ply – 50% wider to provide protection all the way to the outer grooves
   • Shock-Absorbing Cushion Gum – Thicker layer for extra protection against shocks

2) Dual-layered defense against stone drilling
   • V-Channels – Help resist stone retention
   • Groove Bottom Protectors – Help prevent stone drilling

3) Hard-packed cables to combat road hazards and protect the casing

4) Strong sidewall
   • TW6 OzoneShield Technology – Doubled treatment of this compound additive helps protect the sidewall from ozone damage and weathering.
   • Thick sidewalls – Fight impact

Try the MICHELIN® X® Works Z worry-free with the MICHELIN® Road Hazard Guarantee!

Michelin stands behind its on/off-road products—providing unsurpassed durability against road hazards and the uptime fleets demand. With the MICHELIN® Road Hazard Guarantee, Michelin will credit you $200 per tire if the tire is taken out of service (not repairable or retreadable) in the first six months or before 50% of its useable tread life—whichever comes first. (1) It’s just our way of helping you experience breakthrough performance and durability without the risk.

**6-MONTH WORRY-FREE ROAD HAZARD GUARANTEE**

Note: *Wheel listed first is the measuring wheel.*

(1) Contact your local Michelin representative for details. Michelin reserves the right to modify or discontinue this program at any time for any reason without prior notice.

(2) Not approved for use with an 8.25 wheel on vehicles produced after January 1, 2018.

(*) Exceeding the lawful speed limit is neither recommended nor endorsed.

(‡) Overall width will change 0.1 inch (2.5 mm) for each 1/4 inch change in wheel width. Minimum dual spacing should be adjusted accordingly.

MICHELIN® tires and tubes are subject to a continuous development program. Michelin North America, Inc. reserves the right to change product specifications at any time without notice or obligations.

MNA, Inc. continually updates its product information to reflect any changes in Industry Standards. Printed material may not reflect the current Load and Inflation information. Please visit [www.business.michelinman.com](http://www.business.michelinman.com) for the latest product information. The actual load and inflation pressure used must not exceed the wheel manufacturer’s maximum conditions. Never exceed a wheel manufacturer’s limits without permission from the component manufacturer.
